## Just Love Life

Atma Kriya Yoga is the most powerful form of yoga available in the world today. The practice includes a series of meditation techniques, pranayamas, asanas, mantras and mudras sealed with the blessing of Shaktipat initiation - the Grace from all the Kriya Masters.

This practice ignites the inner fire of Cosmic Love, awakening God-Realization which is possible within a single lifetime - this lifetime. Take the journey great yogis have embodied for millennia.
